

WOODBURY BOSTON PRIMARY SCHOOL

Schedule of Fees for 2024

Woodbury Boston Primary School aims to give every child the opportunity to attend this school whatever their financial position. With this in mind, the following details are provided:

Tuition Fees	Per term	(Annual)
Kindergarten	\$375.00	(\$1,500.00)
Pre School – Year 6	\$728.00	(\$2,912.00)
Curriculum Related Activities	Kindy	\$ 62.00 (\$31 at beg of terms 1 & 3)
	Pre - 6	\$156.00 (\$78 at beg of terms 1 & 3)

To ensure the smooth running of our school and a continuous high level of care and education, it is essential that all payments of fees be met according to this fees schedule.

The funding of staff salaries, equipment, activities and all resources required, relies on fees paid. The school's budget is planned considering every child and balanced right down to the last dollar.

Should your enrolment circumstances change, or you need to make other arrangements for payment of fees we would expect that you contact us as soon as possible. Non-payment of fees may result in exclusion from the school.

Tuition Fees:

While we receive some grants and subsidies from the State and Federal Governments, there is a shortfall, which must be covered by the fees we charge. Most fees and charges are GST free. However, the school reserves the right to charge GST as and when it becomes applicable.

Personal stationery, any individual music tuition, camps and other adventure activities are not covered by the tuition fees. Costs for camps and adventure activities are charged as they arise and must be paid before your child participates in the activity. The Curriculum Related Activities charge, due at the beginning of terms 1 and 3, covers some excursions and incursions, bus travel for special trips, some classroom texts and online subscriptions, and some other special events that occur during the year.

Payment of Accounts:

Statements showing tuition fees and CRA are issued prior to the beginning of each term and are due by the end of the second week of term. Fees paid in full by the due date will receive a 3% discount. Fees may also be paid in monthly or fortnightly installments, contact the office to make arrangements.

Fees can be paid by cash, cheque or internet transfer. Limited special arrangements are available to families in financial difficulties; contact the office for an application form.

Please note: Regardless of payment method or arrangement, all agreed fees must be paid.

Sibling Discounts:

The school offers generous discounts to members of the same family attending at the same time, on tuition fees only, providing fees are paid on time. These are:

25% discount for the second child

50% discount for the third child.

For fourth and subsequent children, tuition fees are waived.

Student Absence from School:

Should a child be absent from school for any length of time, the school reserves the right to continue to charge fees for that period.

Notice of Withdrawal:

Except in exceptional circumstances, and following negotiation with the finance committee, **the school requires one term's notice before a student is withdrawn from the school.** The school reserves the right to charge one term's tuition fees if adequate notice of withdrawal is not given.

Students leaving the school at the end of the year, other than Year 6, must be supported with written notice by the end of term three, otherwise one term's tuition fee is payable.

Damage to School Property:

Upon discussion with children and parents, the school may need to invoice parents for damage or loss of school property (including books), by careless or deliberate action of their child.
