Due to some of the activities that students participate in throughout the year, we would also recommend having at home a lightweight rain jacket, a pair of water / reef shoes and a wet suit. Although these aren't essential items, they are very useful.

#### Notes:

\* Please don't buy the 'pocket' calculators, as they just don't last. Fairly good desktop calculators can be bought for less than \$10

\*\*Please don't get 'novelty' or 'fun' type erasers, they don't work!

\*\*\* Good quality pencils (such as Faber Castell) last much longer, so end up being much better value than cheap pencils which break easily and have to be replaced.

# Asking parents to buy some items for general school use helps us keep our fees as low as possible. Thank you for your support.
