## Bus Timetables 2017

**Please note:** To keep the children safe, the buses will not leave a young child at a bus stop if there is no known adult there to collect them. Please make sure you are ready at the bus stop 5 minutes before the scheduled time, so as not to cause delays to the rest of the journey. Thank you.

If you have any questions about your bus run, please contact your driver, or School Bus Services [schoolbus@pta.wa.gov.au](mailto:schoolbus@pta.wa.gov.au)
